

The Circular Hub Pricing Scale

Each workshop / seminar / activity is worth a UNIT or more, depending on its length and complexity.

The table below shows the Circular Hub pricing scale with the various discounts that are available, so the larger the package you buy, the cheaper the price per session.

Benefit from an additional 25% discount on all the below fees during the COVID-19 lockdown...

Currently all the seminars/activities offered in the Winter Calendar are worth 1 Unit with the exception of:

- 1) Bring a friend and benefit from a 2 for 1 for the "Fish Banks" Board Game & "Dilemma" Board Game
- 2) Neuroscience for Environmental Behaviour Change & Designing an Environmental Campaign - with Samah Karaki. This is a 2-day workshop (9am-5pm) worth 6 Units (out of which only 3 Units count towards a Certificate).
- 3) Eco & Social Entrepreneurship - with Antoine Karam (Proquale) & Maya Karkour (EcoConsulting). Each session is 3 hours long (5:30pm-8:30pm) and is worth 2 Units.

Please note that:

* A minimum number of attendees will be required to hold each session.

** Seminars/Workshops cancelled 3 days or less prior to the event date are non-refundable.

They can be replaced free-of-charge by any other equivalent seminar only if it is given by the EcoConsulting team.

*** Packages expire two years after their date of purchase.
