

Why the Circular Hub?

We want to contribute in accelerating the change towards an eco-responsible society.

The new Circular Hub logo revealed!

Our Mission

By spreading awareness & knowledge, we're aiming to ignite change and we want you to be a part of it too!

A learning space for broadening your knowledge about a variety of topics ranging from:

- the environment & sustainability topics
 - the circular economy
 - climate change
 - eco & social entrepreneurship
- and more...

We will be offering on a regular basis a wide choice of

- Seminars
- Workshops
- Activities
- and even Games!

Why Circular?

A circular economy is based on the principles of designing out waste & pollution, keeping products & materials in use, and regenerating natural systems.

It is a source of opportunity for business that improves quality of life & tackles global challenges like climate change.

An Eco-Friendly Space

Aligning with our mission to spread circularity, we refurbished the space by only re-using furniture & selecting the least harmful materials possible.
